FAQs:

What if I can't make one of the group sessions?

All the group coaching sessions will be recorded, so you can watch them back afterwards if you'd like to.

What if I've completed an Everything DiSC assessment before?

No matter how many times you've completed one of these assessments, there is always value to be had by revisiting them. We learn, change and grow throughout our lives and careers, meaning that what we're able to take away from these assessments is often different each time we re-read and re-explore our results.
